

# End Of The Night

Bei Maejor

Upside down  
Upside down  
Upside down

Is the end of the night girl  
And I'm gonna make you feel good  
Make you feel good  
... girl to everything you say we would

So lay your body down down down  
I'll make you say my name  
Try not to make a sound sound sound  
My neighbor is been complaining  
Yeah yeah is the end of the night girl  
And I'm gonna make you feel good  
Make you feel good  
Upside down  
Upside down  
Upside down  
Upside down

Yeah... will make it girl  
Is too long... to do, ohh to do  
But see... I take it girl  
I go... that's cool, only if it's cool yeah

So lay your body down down down  
I'll make you say my name  
Try not to make a sound sound sound  
My neighbor is been complaining  
Yeah yeah is the end of the night girl  
And I'm gonna make you feel good  
Make you feel good  
Upside down  
Upside down  
Upside down  
Upside down
