

Mesmerized

Bei Maejor

Club night
Drunk as what
Homies tryna sober up
All my niggas in this bitch
Pretty girls all in this shit
Shorty go lights low
Major on the radio
She say this her favorite song

I say baby order what you want
The night is still so young baby
And when she starts to dance
She leaves me in a trance

I told her baby I'm so
Mesmerized by you
So don't worry about nothing
I'll take care of you
Cause when that thing go low
I don't know what to do
So don't worry about nothing
I'll take good care of you
Got me mesmerized by you

Stop whoa!
Where she go?
Where she go?
There she go
Love the way you workin yo
Uh you so professional
Say you from the city
But you come out here to have some fun
Shorty's so siddity
But she pretty

Baby order what you want
The night is still so young baby
Every time you start to dance
You leave me in a trance

I told her baby I'm so
Mesmerized by you
So don't worry about nothing
I'll take care of you
Cause when that thing go low
I don't know what to do
So don't worry about nothing
I'll take good care of you
Got me mesmerized by you

I pulled up in my vico,
She looked out the peep-hole,
Opened up,
Said hurry up,
She gets on me when she cold,
She had dinner ready,
She ate hers already,

Pinot Gridgio and spaghetti,
I looked up next thing you know,

Her dress flew over her head,
Her bra slid off of her shoulders,
She looked right at me and said,
Uh, oh baby come over,
Her panties slid down her leg,
I couldn't keep my composure,
So after it was all over,
I just broke down and I told her,

I'm so,
Mesmerized by you,
So don't worry about nothing,
I'll take care of you,
Cause when that thing go low,
I don't know what to do,
So don't worry bout nothing,
I'll take good care of you,
Got me mesmerized by you

Got to be mesmerized by you
Got to be mesmerized by you
