

When they play this in the club  
Everybody know what's up

Kind of feel like you have it right now  
Kind of feel like your mind is in the sky  
Ever felt that you could fly but you don't go  
Ever felt like is almost over but you can't go no closer  
But we are right now keep feeling  
Can you feel it? can you feel it?

Walk up in the spot light what up don't see no Had a couple girlfriends but that ain't enough  
nice got a feel like rocky the night feel good right  
Drop a couple pimps in the club real party people know what is up

When you see us in the club you know what's up  
I ain't never got no pillz but this is how I feel  
When you see us in the club you know what is up  
I ain't never got no pillz but this is how I feel

Have you ever got enough while you sip slow  
Have you ever got lost in the tempo  
Has it ever felt low with the I feel right now don't trip though  
h  
Make love on the dancefloor  
Ever felt in love ever feel is wrong when it felt right  
Feel good right drop a couple pimps in the club  
Everybody know what is up

When you see us in the club you know what's up  
I ain't never got no pillz but this is how I feel  
When you see us in the club you know what is up  
I ain't never got no pillz but this is how I feel  
When you see us in the club you know what is up  
I ain't never got no pillz but this is how I feel  
When you see us in the club you know what is up  
I ain't never got no pillz but this is how I feel
