Yeah
Unh
Aww baby baby baby baby babe
Aww baby
Yeah baby baby baby baby babe
Yeah baby
I wanna do a little somethin' to yo body right now
Yeah, yeah
Lay you down, put some kiss yo body right now, now, now...
No where to go
Just us alone
Slow music on
Just let it flow
Said I wanna do somethin' to you body right now, now, now...
Aww baby
Ohh, ohh, ooh, ohh
Aww yeah
Ohh, ooh, ooh, ohh
Aww yeah
Aww baby
No where to go
Just us alone
Slow music on
Just let it flow
I wanna do a little somethin' to yo body right now
Ohh, oh, oh, oh, oh
Woah...
Woah...
Woah, woah...
Yeah
