

# Speakin' In French

Bei Maejor

Voulez-vous couche avec moi?  
Voulez-vous couche avec moi?  
I'll make you say

'Cause you're so pretty in the face,  
Got me in a daze,  
I gotta get you home  
Cause I want you bad  
I've been waiting all day  
So let me get a taste  
Gonna feel so good that  
I'll have you speaking in French

Voulez-vous couche avec moi?..  
Speaking in French  
[repeats]  
Voulez-vous couche avec moi, ce soir?

She got me speaking French without any translator  
Just like I got her cummin' without any vibrator  
She said she is in love with my American accent  
But not nearly as much as I am in love with her foreign assets  
I am talking asses rated GGP in the sex room gettin ludacris DTP  
My tongue, crasinates, gucci mane on figure skates than I break you with my  
dick mix in with martin gates  
I dick it down while I give her anal sex  
Got her bragging like DJ Khaled screaming we the best  
The best we are she is my little shine star  
I am just strumming on the bridge like a fucking guitar

'Cause you're so pretty in the face,  
Got me in a daze,  
I gotta get you home  
Cause I want you bad  
I've been waiting all day  
So let me get a taste  
Gonna feel so good that  
I'll have you speaking in French

Voulez-vous couche avec moi, ce soir?

It's been a year my dear since our last arrangement  
Time apart the distance plus sexual estrangement  
Needless to say that we've been fighting a lot  
But make up sex is the best and we've been making up a lot  
I kiss your neck just my hand improvise  
whisper in your ear and watch them pretty goose bumps rise  
slow motion seduction I aim to please  
got you bitin your lip quiverin hips and trembling knees  
She tell me to speed it up  
The song tells me to slow it down  
She hops on top for control  
While she pins me down to the ground  
She whispers something in French

Something i can't comprehend  
Something about me and her and playing this song again.

'Cause you're so pretty in the face,  
Got me in a daze,  
I gotta get you home  
Cause I want you bad  
I've been waiting all day  
So let me get a taste  
Gonna feel so good that  
I'll have you speaking in French
