

## A Sunday Smile

Beirut

All I want is the best for our lives my dear  
And you know my wishes are sincere  
What's to say, all the days I cannot bear

A Sunday smile, we wore it for a while  
And at cemetery mile we paused and sang  
A Sunday smile, we wore it for a while  
And at cemetery mile we paused and sang  
About a Sunday smile, and we felt clean

We burnt to the ground, left a view to admire  
Buildings aside, church of white  
We burnt to the ground, left a grave to admire  
Hills reach for the sky, reach the church of white

A Sunday smile, we wore it for a while  
And at cemetery mile we paused and sang  
A Sunday smile, we wore it for a while  
And at cemetery mile we paused and sang  
About a Sunday smile, and we felt clean
