

## August Holland

Beirut

No, I lost the ramparts and now  
I want to send back the sound  
Watching the sunrise in Laos  
Why don't you turn back now?

No, up where the air rushes out  
I hear an endless sound

I wanna be there now  
I wanna be there now  
I wanna be there now  
I wanna be there now  
I wanna be there now  
I wanna be there now
