

# The Rip Tide

Beirut

And this is the house where I  
I feel alone  
Feel alone now

And this is the house where I  
Could be unknown  
Be alone now

Soon the waves and I found the rolling tide  
Soon the waves and I found the rip tide

This is the house where I  
I feel alone  
Feel alone now

And this is the house where I  
Could be unknown  
Be alone now

Soon the waves and I found the rolling tide  
Soon the waves and I found the rip tide
