

Sexy oh,  
You look so sexy, oh  
You look so sexy,  
Baby you blow my mind,  
Sexy oh,  
I think you're sexy oh  
'Cause you're so sexy  
Baby you blow my mind  
'Cause if somebody ask me  
Who do I love  
I will always say your name  
Mmm... who cares  
You're mine and I'm yours  
'Cause baby we're meant to be  
You're mine and I'm yours  
'Cause baby we're meant to be  
Sexy oh,  
You look so sexy, oh  
You look so sexy,  
Baby you blow my mind,  
Sexy oh,  
I think you're sexy oh  
'Cause you're so sexy  
Baby you blow my mind  
You're mine and I'm yours  
'Cause baby we're meant to be  
You're mine and I'm yours  
'Cause baby we're meant to be  
We are the same one  
We are the same one.....  
We are meant to be  
And always will  
We are meant to be  
And always will.
