

Heaven Is a Place on Earth

Belinda Carlisle

Oh, baby do you know what that's worth?
Oh, Heaven is a place on Earth.
They say in Heaven, love comes first
We'll make Heaven a place on Earth
Oh, Heaven is a place on Earth

When the night falls down,
I wait for you, and to come around
And the world's alive
With the sound of kids on the street outside
When you walk into the room
You pull me close and we start to move
And we're spinnin' with the stars above
And you lift me up
In the wave of love

Oh, baby do you know what that's worth?
Oh Heaven is a place on Earth
They say in Heaven, love comes first
We'll make Heaven a place on Earth
Oh, Heavne is a place on Earth

When I feel alone, I reach for you and to bring me home
When I'm lost at sea
I hear your voice, and it carries me
In this world we're just beginning
To understand the miracle of living
Baby, I was afraid before
I'm not afraid, any more

Oh, baby do you know what that's worth?
Oh, Heaven is a place on Earth
The say in Heaven, love comes first
We'll make Heaven a place on earth
Oh, Heaven is a place on Earth

In this world we're just beginning
To understand the miracle of living
Baby I was afraid before
I'm not afraid, any more

Oh, baby do you know what that's worth?
Oh, Heaven is a place on Earth
They say in Heaven, love comes first
We'll make Heaven a place on Earth
Oh, Heaven is a place on Earth

Oh, Heaven is a place on Earth (8x)
