

# I Plead Insanity

Belinda Carlisle

I can't be responsible  
For anything I do now or say now  
I get too excitable  
To control the way I behave now  
I'm afraid of what I'll do  
If I find myself alone with you  
It's just a crime of passion baby  
Don't hold it against me  
I'm innocent  
I'm just out of my mind

I plead insanity  
Whoa, I'm so mad about you  
I can't think straight, I can't see straight  
I plead insanity  
All I do is obsess about you  
I can't work days  
I can't sleep nights

I plead insanity  
I know that there are rules for this  
And I plan to break every one of them  
And if I go too far tonight  
Baby you can be my alibi  
And if I act irrational  
I'm not responsible  
For anything that happens here  
Don't hold it against me  
I'm innocent  
I'm just out of my mind  
I plead insanity  
All I do is obsess about you  
I can't work days  
I can't sleep nights  
I plead insanity

I plead insanity  
Whoa, I'm so mad about you  
I can't think straight, I can't see straight  
I plead insanity  
All I do is obsess about you  
I can't work days  
I can't sleep nights  
I have a fantasy...
