

## Little Black Book

Belinda Carlisle

There was a time you and I were everything  
You'll never know the days and nights  
I spend imagining

Yesterday is the only place  
We'll ever know oh oh

In my little black book  
There's someone I used to know  
Day by day time slips away  
Where did our love go  
In my little black book  
You're always there to remind me  
It wasn't just a dream  
And baby in my heart you will always be

Picked up the phone  
Didn't know  
What I was gonna do  
I heard your voice  
I had no choice  
I hang up on you

Yesterday is the only place  
We'll ever know oh oh

In my little black book  
There's someone I used to know  
Day by day time slips away  
Where did our love go  
In my little black book  
You're always there to remind me  
How it used to be  
But baby in my heart  
You're still a part of me

There's no future living in the past  
You can dream but you can never go back  
Oh no you will always be there  
In my little black... in my little black book

There's someone I used to know  
Day by day time slips away  
Where did our love go  
In my little black book  
You're always there to remind me  
It wasn't just a dream  
We're worlds apart  
You're in my heart  
And there you'll always be

In my little black book  
There's someone I used to know  
Day by day time slips away  
Where did our love go  
In my little black book  
You'll always be

A part of me  
You always be  
In my little black book
