

See a Little Light

Belinda

Stay alone in my room, every moment passing too slow, watch the
candles
burn into the night
Fall into a dream, wake up and everythings the same, a second o
lder, but alone, just
like a child
If you just give me a sign, to live and not to die

[Chorus]

Then I can see a little light, I can find a piece of mine, I do
nt know where you are, maybe
near or maybe far, I just need a little light
Here a clock tiking on a 'riding hood have meaning'
If i could find the love like in your eyes
see a million people, everyones so lonely
but we dont have to be alone tonight

[Chorus]

uuu, u, lalala a uuu a
If I could see a little light, If I could find some piece of mi
ne,
If you just give me a sign
I can see a little ligh, I dont know where you are, maybe
near or maybe far, I just need a little light ...
Stay alone in my room, every moment passing too soon,
watch the candles burn into the night..
