

Dope!

Bell Biv DeVoe

Take a look at me
Tell me do you like what you see
Do you think, you can?
Do you think, you can do me?
Kiss me pretty, baby
Touch me all over
Girl, what makes you think you can do me
Do you think you can do me, girl?
Do me, baby
Do me, baby
(Do you think you can)
Do me, baby
(Do me)
Do me, baby
Girl, let your hair down
Take off your clothes and leave on your shoes
Would you mind if I looked at you for a moment
Before I make sweet love
Backstage, under age, adolescent
How ya doin'?
