Bell Biv DeVoe

Oh, oh, ah, ooh, oh  
Baby, you're the best thing  
That a man could ever ask for, yeah

Baby, you got style, you got class  
Girl, you make it look so easy  
Got every woman wanting to be like you  
Fresh to death every night, girl, that's you

Got every man here wanting to wife you  
I'ma have just one night, yeah  
It's okay 'cause you're here with daddy  
And I bet you didn't know  
How incredible, girl, you are  
But it's cool, girl, let me tell you

Oh, I know you don't believe it  
But I'ma help you to see it  
Incredible, incredible  
Your body's so perfect  
You got a mind like a surgeon  
Incredible, you're incredible

There's something that a man shouldn't have to ask for  
And, baby, you make me that man  
And how you do it is so clever  
Oh, I'm telling you, girl  
Every woman wants to be like you  
Fresh to death every night, girl, that's you

Got every man here wanting to wife you  
I'ma have just one night, yeah  
It's okay 'cause you're here with daddy  
And I bet you didn't know  
How incredible, girl, you are  
But it's cool, girl, let me tell you

Oh, I know you don't believe it  
But I'ma help you to see it  
Incredible, incredible  
Your body's so perfect  
You got a mind like a surgeon  
Incredible, you're incredible

Oh, baby, now you've got something that every man wants  
Can you give me whatever I want, girl?  
Oh, girl, so let me give it all back to you

Oh, I know you don't believe it  
But I'ma help you to see it  
Incredible, incredible  
Your body's so perfect  
You got a mind like a surgeon  
Incredible, you're incredible  
Oh, I know you don't believe it  
But I'ma help you to see it  
Incredible, incredible

Your body's so perfect  
You got a mind like a surgeon  
Incredible, you're incredible

Tell her how incredible she is tonight  
Fell as help is singing  
Oh, incredible, yeah
