Girl I must warn you
I sense something strange in my mind
Situation is serious
Let's cure it 'cause we're running out of time
Mm mm tell 'em Rick it's all so beautiful

Relationships they seem from the start Yeah mm mm it's all so deadly When love is not together from the heart Mm mm check it out

It's driving me out of my mind
That's why it's hard for me to find
Can't get it outta my head
Miss her, kiss her, love her, wrong move you're dead

That girl is poison Never trust a big butt and smile That girl is poison poison

If I were you I'd take precaution
Before I start to leave fly girl
You know 'cause in some portions
You'll think she's the best thing in the world

She's so fly, she'll drive you right out of your mind Steal your heart when you're blind Beware she's schemin', she'll make you think you're dreamin' You'll fall in love and you'll be screamin' dreamin'

Poison deadly moving it slow Looking for a mellow fellow like DeVoe Getting paid laid so better lay low Schemin' on hots my end the pro show

The low pro hot should be cut like an afro See what you're sayin' huh She's weighin' but I know she's a loser How do you know me and the crew used to do her

Poison

I was at the bar shake shakin' takin' 'em off
And that night I played the wall
Checkin' out the fellas the highs the lows
Keepin' one eye open still clockin' 'em
Still one particular girl that stood out from the rest
Poison as can be how how is she
Michael me and see and I'm runnin' the show
Bell Biv DeVoe ha-ha ha-ha
Now you know you're Slick blow

It's driving me out of my mind
That's why it's hard for me to find
Can't get it outta my head
Miss her, kiss her, love her, wrong move you're dead

That girl is poison (Poison poison) Never trust a big butt and smile Poison (Poison poison) She's dangerous

Poison
Oh yeah (poison) oh yeah
