

Bubblegum Boy

Bella Thorne

This should be played at high volume
Leggo!
You talk a good game but I know
You don't really think that I'm a fall for that
No, I won't
Say what you gon' do, you better show
Keep it one hunned or see your way to the door

See boy I don't really think you get what I'm sayin'
This ain't recess so I ain't playin'
With the wrong move that you're makin'
You say you will but I know that you're fakin'

I hear you talkin'
But you're really not sayin' nothin'
Calm that down
I don't care about what you got
You're frontin' cause you know you're just a

Bubble-b-b-bubble you's a Bubblegum Boy
You's a Bubblegum Boy, you's a Bubblegum Boy
You's a Bubblegum Boy, you's a Bubblegum Boy

You're talkin' like you're young
You need to grow up
Guys are one and the same
You get no love, not lookin' for the typical, oh no!
You're not even worth the visuals (n-n-no-no)

I don't think you get what I'm sayin'
This ain't recess and I ain't playin'
With the wrong moves you're makin'
You say you will but I know you're fakin'!

I hear you talkin'
But you're really not sayin' nothin'
Calm that down
I don't care about what you got
You're frontin' cause you know you're just a

Bubble-b-b-bubble you's a Bubblegum Boy
