

Watch Me

Bella Thorne

I don't need no one to tell me how to feel the beat,
I don't need no beat to tell me how to move my feet,
Just go and do what you do,
cause there's nothin' to prove,
I'm Just being me, wa-watch me do me

I don't need no magazine to tell me who to be,
I don't need to pose for p-p-paparazzi,
Just keep the cameras flashing,
to try to catch this action,
I'm Just being me, wa-watch me do me (me 3x)

Light up the floor,
play me one more,
let me hear that,
click clack on the high hat let the bass vibrate
feel the room rock

Light up the floor
just like before,
let me hear that
bass drop on the Boombox
make your heart stop
feel the room Rock

I'm doing all I wanna do
And I won't stop until I can't move
I'm just being me, watch me do me (me, me)
watch me do me (me, me)
watch me, watch...

I don't need no music when I wanna sing a song (watch me)
I don't need what's popular to know what's right or wrong (watch me)
I'm busy burnin' the track
not holding anything back
I'm Just being me, wa-watch me do me (me 3x)

Light up the floor,
play me one more,
let me hear that,
click clack on the high hat let the bass vibrate
feel the room rock,

Light up the floor
just like before,
let me hear that
bass drop on the Boombox
make your heart stop
feel the room Rock

I'm doing all I wanna do
And I won't stop until I can't move
I'm just being me, watch me do me

I'm ready, I'm, I'm ready to go
let, let it, let, let, let it explode
I'm ready, I'm, I'm ready to go, to go, to go (go!)

Light up the floor,
play me one more,
let me hear that,
click clack on the high hat let the bass vibrate
feel the room rock

Light up the floor
just like before,
let me hear that
bass drop on the Boombox
make your heart stop
STOP!

I'm doing all I wanna do
And I won't stop until I can't move
I'm just being me, watch me do me
watch me do me
(me, me)
watch me do Me
(me, me)
watch me, watch me!
