

Like She's Not Yours

Bellamy Brothers

You're love's not burning with that same old glow
You're tryin' to win what you already won
You love her and you want to let her know
Well buddy this is my opinion

Sweep her off her feet with a slow slow dance
Hold her like she's holding on to new romance
If you want a love what you can be sure
Take her out and treat her like she's not yours

She wants to feel like it's the first time
You gotta shower her with chivalry
She's full of fantasy from nursery rhymes
I know what I would do if it were me

Soon, you'll be the lover in her life
Lyin' in her arms, dancing in her eyes
