

## Funny Little Frog

Belle and Sebastian

Honey lovin' you is the greatest thing  
I get to be myself and I get to sing  
I get to play at being irresponsible  
I come home late at night and I love your soul  
I never forget you in my prayers  
I never have a bad thing to report

You're my picture on the wall  
You're my vision in the hall  
You're the one I'm talking to  
When I get in from my work  
You are my girl, and you don't even know it  
I am livin' out the life of a poet  
I am the jester in the ancient court  
You're the funny little frog in my throat

My eye sight's fading, my hearing's dim  
I can't get insured for the state I'm in  
I'm a danger to myself I've been starting fights  
At the party at the club on a Saturday night  
But I don't get disapproving from my girl  
She gets the all highlights wrapped in pearls.

You're my picture on the wall  
You're my vision in the hall  
You're the one I'm talking to  
When I get in from my work  
You are my girl, and you don't even know it  
I am livin' out the life of a poet  
I am the jester in the ancient court  
You're the funny little frog in my throat

I had a conversation with you at night  
It's a little one sided but that's alright  
I tell you in the kitchen about my day  
You sit on the bed in the dark changing places  
With the ghost that was there before you came  
You've come to save my life again

I don't dare to touch your hand  
I don't dare to think of you  
In a physical way  
And I don't know how you smell  
You are the cover of my magazine  
You're my fashion tip, a living museum  
I'd pay to visit you on rainy Sundays  
I'll maybe tell you all about it someday
