

# I Don't Want to Play Football

**Belle and Sebastian**

I don't want to play football  
I don't understand the thrill of the game  
I don't want to play football  
I don't understand the thrill of running, catching, throwing

Taking orders from a moron  
Grabbing for the sweaty crotches  
Getting hit by people I don't know  
Sugar, I'd rather play a different sort of game  
Sugar, the girls are just as good as boys at playing
