Seeing Other People

Belle and Sebastian

We lay on the bed there Kissing just for practice Could we please be objective? 'Cause the other boys are queuing up behind us A hand over my mouth A hand over the window Well, if I remain passive and you just want to cuddle Then we should be ok, and we won't get in a muddle Cause we're seeing other people At least that's what we say we are doing So how are you feeling? I don't think you can be dealing With the situation very well You take a lover for a dirty weekend, that's ok But when it's over You are looking at the working week through the eyes of a gigol 0

You're kissing your elbow You're kissing your reflection And you can't understand why all the other boys are going for t he New, tall, elegant rich kids You can bet it is a bitch, kid But if they don't see the quality then it is apparent that You're going to have to change Or you're going to have to go with girls You might be better off At least they know where to put it

We lay on the bed there Kissing just for practice Could we please be objective? 'Cause the other boys are queuing up behind us A hand over my mouth A hand over the window Well, if I remain passive and you just want to cuddle Then we should be ok, and we won't get in a muddle Cause we're seeing other people At least that's what we say we are doing We're seeing other people At least that's what we say we are doing We're seeing other people At least that's what we say we are doing We're seeing other people At least that's what we say we are doing
