The Chalet Lines

Belle and Sebastian

He raped me in the chalet lines The girl I shared with was away for the night I couldn't get up for my shift today I'll have to leave the camp now anyway I'll go to London there's a mate of mine I know she'll give me a place Full of woe and further to go She caught the bus "Oh I'll go anywhere" She caught the bus Her face was just a smear on the pane He raped me in the chalet lines I had just said no for the final time Although it's last month it's like yesterday I missed my time, I don't think I could stand To take the test, I'm feeling sick Fuck this, I've felt like this for a week I'd put a knife right into his eyes My friend can't see She asks me why I don't Tell the law Oh what's the fucking point at all

He raped me in the chalet lines It was a party, it was going fine With the boys from the amusement park A few were idiots, they were a really good laugh They had the shows on till way after dark I hope she'll give me a place Full of woe and further to go She caught the bus "Oh I'll go anywhere" She caught the bus Her face was just a smear on the pane
