## It Must Have Been Love

**Belle Perez** 

It must have been love but it's over now

Lay a whisper on my pillow Leave the winter on the ground I wake up lonely, there's air of silence In the bedroom and all around

Touch me now, I close my eyes And dream away

It must have been love but it's over now It must have been good but I lost it somehow It must have been love but it's over now From the moment we touched â??til the time had run out

Make-believing we're together That I'm sheltered by your heart But in and outside I've turned to water Like a teardrop in your palm

And it's a hard winter's day I dream away

It must have been love but it's over now It was all that I wanted, now I'm living without It must have been love but it's over now It's where the water flows It's where the wind blows

It must have been love but it's over now It must have been good but I lost it somehow It must have been love but it's over now From the moment we touched â??til the time had run out

It must have been love but it's over now It was all that I wanted, now I'm living without It must have been love but it's over now It's where the water flows It's where the wind blows
