

# Kiss And Make Up

Belle Perez

Suddenly you make me see  
How much you really mean to me

Physical  
This is physical  
Physical  
I don't want to talk about it

Physical  
This is physical  
Purely physical  
I want to kiss and make up

I didn't treat you right  
And it hurts me more than I can ever say  
I need your love tonight, oh yeah  
I'm sure you wouldn't want it any other way

We used to play the fool, oh oh oh  
Way back when we were two kids too smart to break the rules  
How come I didn't see  
That you were making plans that were including me

I don't want to talk, I want to kiss and make up  
Let's not waste any time, I want to kiss and make up  
I never thought you were a lover next to being a friend  
And tomorrow when we wake up, we make up again

Physical  
I don't want to talk about it  
Physical  
I want to kiss and make up

Baby, I like your style  
I love the way you dress, adore the way you smile  
I knew I loved you from the start  
Once I listened to my foolish broken heart

I don't want to talk, I want to kiss and make up  
Let's not waste any time, I want to kiss and make up  
I never thought you were a lover next to being a friend  
And tomorrow when we wake up, we make up again

No, no  
I don't want to talk, I want to kiss and make up  
Let's not waste any time, I want to kiss and make up  
I never thought you were a lover next to being a friend  
And tomorrow when we wake up, we kiss and make up again

I really have to apologize  
Just tell you the truth  
No more secrets, lies or alibis  
I've been running away from you  
Look what a foolish girl can do-oooh-oooh-oooh

I don't want to talk, I don't want to talk, no no  
I don't want to talk, I want to kiss and make up

I don't want to talk, I want to kiss I want to kiss and make up  
Let's not waste any time, I want to kiss and make up  
I never thought you were a lover next to being a friend  
And tomorrow when we wake up, we make up again

No, no

I don't want to talk, I want to kiss and make up  
Let's not waste any time, I want to kiss and make up  
I never thought you were a lover next to being a friend  
And tomorrow when we wake up, we make up again

No, no we kiss and make up again
