

# This Crazy Feeling

Belle Perez

Going through these changes  
We can't be like strangers  
Tell me who you are

Lately I've been losing sleep  
Your lovely eyes are all I see  
And I feel there's something gonna change  
In my life

You're not like all the other guys  
Just fun and games and foolin' 'round  
With you I know this is gonna be so right  
So right

I don't care what people say  
They can't stop me from dreaming  
And I wanna dream my life away

As long as I'm with you  
I get this crazy feeling  
You should be the one  
You are my everything  
As long as this is love  
It's really worth believing in  
This crazy feeling

Boy you take my breath away  
Your funny smile out of the blue  
No I don't wanna waste my life  
Without you  
Without you

I don't care what people say  
They can't stop me from dreaming  
And I wanna dream my life away

As long as I'm with you  
I get this crazy feeling  
You should be the one  
You are my everything  
As long as this is love  
It's really worth believing in  
This crazy feeling

Going through these changes  
We can't be like strangers  
Tell me who you are

For as long as I'm with you  
I get this crazy feeling  
You should be the one  
You are my everything  
As long as this is love  
It's really worth believing in  
This crazy feeling

As long as I'm with you

The one, the one,  
My every, every thing  
It's really worth believing in  
This crazy feeling

Going through these changes  
We can't be like strangers  
Tell me who you are
