

## Angel

Belly

Give it to me, please  
I said to god.  
It's only fair.  
Instead, he sent three angels  
To move the river,  
So now it flows by my house,  
So now it goes by my house.  
Angel  
Angel  
I'd still rather have the man.  
I've had bad dreams,  
So bad I threw my pillow away.  
Move the river,  
So now it flows by my house,  
So now it goes by my house.  
Angel  
Angel  
I'd still rather have the man.
