Baby's playing dead in cellar
Gave her water, just got paler
Grass stains, back burns
She's a screamer
She's just dusted, leave her
If you see her, don't upset her
Never seems to get much better
Grass stains, back burns
She's a screamer
She's just dusted, leave her
Her hmmm hmmm goes to your heart
Her hmmm hmmm sticks in your head
Hmmm hmmm hmmm hmmm huh huh
Baby's playing dead in cellar
Gave her water, just got paler
Grass stains, back burns
She's a screamer
She's just dusted, leave her
