

Star

Belly

It's hard for a star.
Sweet sweet sweet wind
Burn off this skin.
Get it to reach sachuest beach.
I can never win
With this body I live in.
It's all right.
It's all right.
It's all right.
I'll just stand up pick up my stuff and...
Sweet sweet sweet wind
Burn off this skin.
Get it to reach sachuest beach.
I can never win
With this body I live in.
Sweet sweet sweet wind
Burn off this skin.
Sweet sweet sweet wind
Burn off this skin.
I can never win
With this body I live in.
