

Stay

Belly

Stay
Oh Stay
Stay
Oh Stay

Solomon dives for that big dusty gold
Solomon sighs
He knows he's older than me
Sleeps with the fishes soon

Stay (stay)
Oh Stay
Stay (stay)
Oh Stay

Solomon crawls on the belly of God
Solomon falls on his face, in love with me
He grows as old as the sea
Deep where the fishes are

Stay
Oh Stay
Stay
Oh Stay
Stay
Oh Stay
Stay
Oh Stay

He lives in the yard
He keeps himself hard
He keeps himself homeless and heartless and hard

He sleeps under stairs
Along with the years
Of nothing and Nothing
Means no one who cares

But I love him dear
And I love him dear
And I've loved him hundreds of thousands of years

Stay
Stay (stay)
Oh Stay (Stay with me)
Stay (stay...)
Oh Stay (Stay with me)

It's not time
For me
To go
It's not time
For me
To go
It's not time
For me
To go

Stay
