

Conjuring the Dead

Belphegor

Hollow - virgin eyes ripped
Torn - just like your throat
Fester - obsession incarnate
Another grave - another sacrifice

I am misanthropic sin - sin

CONJURING THE DEAD - ancient tongue of shadows
CONJURING THE DEAD - give yourself to Sathan

Transmit - this burning torment
Bleeding - clawing at the walls
Transformed - invoking his commands
Manifest - ascend before the fall

I am crowned by the obscene

CONJURING THE DEAD - secretion sick in sin
CONJURING THE DEAD - give yourself to Sathan

I am the grinning ecstasy
I am the lord of all poison
I am misanthropic sin - sin

CONJURING THE DEAD - priest collapsing dogma
CONJURING THE DEAD - give yourself to Sathan
