

In Death

Belphegor

Cruelty is - your life that binds
Insanity is - your flesh that blinds
Mighty is - your teacher this pain
Your prison - your wish to attain

Burn my moral - restriction
Beyond excruciating constriction
Beyond the flesh - to wander free
Beyond the flesh, the soul of me

A cruel master - I hearken unto thee
Disease and suffering - shall set you free
Let death - dance as a knife
The steps in time - to bleeding strife

Burn my moral - restriction
Beyond excruciating constriction
Beyond the flesh - to wander free
Beyond the flesh, the soul of me

Burn my moral - restriction
Beyond excruciating constriction
Beyond the flesh - to wander free
Beyond the flesh, the soul of me
IN DEATH!
