

Reichswehr in Blood

Belphegor

The mouth of hell opens
Obey the call
Crucifixes to impale
Shoved in the ass and mouth

Shrines of worship
Dedicated to the ultimate
The bringer of light
Lucifer decides my fate

Reichswehr in blood
In Praise of the devil
Reichswehr in blood
Totus Sanctus Occumbat

Lead: Helmuth

Artifacts of blood and bone
Disembowled on the stone
Cum in the wounds
Then remove the heart

Reichswehr in blood
In Praise of the devil
Reichswehr in blood
Totus Sanctus Occumbat
