

# Rex Tremendae Majestatis

**Belphegor**

The coming decay - genesis to the end  
For the stinking face - of mankind condemned  
Sacred erosion - the revelation denied  
De praestigiis daemonum - ominous light

Beyond sanctorum

REX TREMENDAE - Son of perdition  
REX TREMENDAE - Lord of cynicism  
REX TREMENDAE - Shining sovereign  
The Shadows are bent - by his presence malign

Led to the gallows - processions of death  
Descend to the blind world - souls ripped from flesh  
Tyrannical kingdom - dimensions of pain  
Sub terra inferis - consumed by the flames

Beyond sanctorum

REX TREMENDAE - Son of perdition  
REX TREMENDAE - Lord of cynicism  
REX TREMENDAE - Shining sovereign  
The Shadows are bent - by his presence malign
