

Rise to Fall and Fall to Rise

Belphegor

Purity of white - blackest, of night

RISE TO FALL AND FALL TO RISE

Take in the sight - open wide your human eyes
To stop evolving is to die - the knife in between your eyes
I am the unwavering stare
Turn the eternal balance to my whim
I burn the dark in gleeful sin

I RISE TO FALL AND FALL TO RISE

See the serpent in my eyes
Absolute violence - chaos in serenity
Blood bathed infinity - true will is my only law
I stand between - forces of light and dark
I am the middle and everywhere - I am the lamb and the shark
I am the unwavering stare
Turn the eternal balance to my whim
I burn the dark in gleeful sin

I RISE TO FALL AND FALL TO RISE

See the serpent in my eyes
Unyielding faith is the devil's claw
Light so dark - it is the white
Black is the blood - which takes flight
Unyielding faith is the devil's claw
Ethereal truth - heard not by these ears
Forbidden and driven into fears
