

## Shred for Sathan

**Belphegor**

A new age - of blazing fire  
Horned goat - fight for the throne  
Lightbearer - prince of power  
Singlem solis - the seal of the sun

Under the sign of the pentagram  
Fire thunderbolts and storms  
We shred for sathan  
We shred for sathan

Evil spirit - son of the dawn  
Fallen angel - refused to kneel  
Cast thy shadow - over the earth  
Singlem solis - the seal of the sun

Under the sign of the pentagram  
Fire thunderbolts and storms  
We shred for sathan
