

Veneratio Diaboli - I Am Sin

Belphegor

I am Sathan – I hear your voice
Deliverance in flesh – I am with you
I am sin – sin – the bringer of freedom
The ravendaemon – Verächter des Glaubens

I bless thee with the waters of life!

Veneratio Diaboli – wine, urine and blood
Drunk from a human skull
Veneratio Diaboli – der Pakt mit dem Teufel
The dead rise and come to me

I am Sathan – I hear your yearning
Infinity in fire – I am with you
I am sin – sin – lecherous and proud
Conjuration – Totenritus Triumphator

I bless thee with the waters of life!

Veneratio Diaboli – wine, urine and blood
Drunk from a human skull
Veneratio Diaboli – der Pakt mit dem Teufel
The dead rise and come to me

Veneratio Diaboli – von schwarzen Seelen befallen
Veneratio Diaboli – der Höllenritt der Finsternis
