

Walpurgis Rites

Belphegor

Witches dance - around the fire
naked bodies - covered with cuttings
Brand them all - leave your mark
Honoramus opum tuum, oh dominus

riding on - goats trough the night
carcass offered - to the throne
hailing chaos - procession of Sathan
the broken mountain - hell on earth

Walpurgis rites
deadfucked to create
Walpurgis rites
circulos obscurus

perched upon - the highest peak
ravens claw - orgasmic cosmic death
horned Lucifer - spirit from the past
on earth and sky and sea

Walpurgis rites
deadfucked to create
Walpurgis rites
circulos obscurus

the broken mountain - hell on earth
the broken mountain - procession of Sathan
