Did you think i'd stand there while you kicked me in the face d
oesn't make much sense to push me down I need explanation to ad
just my way of thought did you think you'd find me hanging roun
d and it's ten years later and I haven't left your side even th
ough you gave me reason to and I'm standing over your body's lo
sing life I guess things are hard to name a few did you think i
'd take it when you pushed me in disgrace very hard to leave th
at behind I hate aggravation but that's why you made me fight h
ave to face it you were just high.
