

It's Tough To Be A Bully When There's No One Left To Bully

Belvedere

Just Look Around Because There's No One There
I'd Bring A Fight But There's Not A Pair
It's Fucked To Think That Life Is So Unfair
That You'd Be All Alone Why Don't You Think About It

Knew Everyone Would Turn On Me
It's A Lack Of Respect And Authority
'Cause I'd Pushed Around Everyone That I Could See
And I'd Scream Jubilation But No One Would See Me

Everything Falls Apart
Lose Myself, Fuck All Control
