

# Stop

Ben Cristovao

It's Benny Cristo  
See I was blocked at the red light  
She turned around and she caught my eye  
and so I pulled over, wanna to follow her  
but didn't know what to say  
when I finally came closer, my mind just froze up  
so she just walked away  
that's when I said

she had the most beautiful of smile  
she even shine brighter than starlight  
so if anyone seen her, my señorita  
tell me which way did she go  
my heart is getting eager, I have to meet her  
oh there she go-oh  
that's when I said

stop, in the name of love  
before you walk away  
stop, in the name of love  
gotta know your name  
stop, in the name of love  
there's so much more to say  
oh, stop, girl I want you stop  
stop, in the name of love

Standing here with you feel so right,  
we're like I've known you for all my life  
do I really need to know ya, just wanna hold ya  
wake up staring in those e-eyes  
there's a reason that I chose ya  
got to get closer, I really need you in my life  
that's why I say

stop, in the name of love  
before you walk away  
stop, in the name of love  
gotta know your name  
stop, in the name of love  
there's so much more to say  
oh, stop, girl I want you stop  
stop, in the name of love

to everyone who fell in love at first sight  
say eh yo (eh yo)  
ey yea yeah (ey yea yeah), say eh yo (eh yo)  
ey yea yeah (ey yea yeah), say eh yo (eh yo)  
ey yea yeah, ey yea yeah

stop, in the name of love  
before you walk away (before you walk away)  
stop, in the name of love  
gotta know your na-ame (gotta know your name)  
stop, in the name of love  
there's so much more to say  
oh, stop, (oh babe) girl I want you stop  
stop, in the name of love
