

# He Will Break Your Heart

Ben E. King

He don't love you like I love you  
If he did he wouldn't break your heart  
He don't love you like I love you  
He's just trying to tear us apart

Fairly well I know you're leavin'  
For that new love that you've found  
That handsome guy you've been dating  
I got a feelin' he's gonna put you down

Because he don't love you like I love you  
If he did he wouldn't break your heart  
He don't love you like I love you  
He's just trying to tear us apart

He uses all the great quotations  
And he says all the things I wish I could say  
But he's had so many rehearsal  
Girl, to him it's just another play  
But wait...

When the final act is over  
And baby you're left standing, standing all alone  
When he takes his bow and makes his exit  
Girl, I'll be there to take you home

'Cause he don't love you  
And he never will  
Like I love you  
If he did he wouldn't break your heart  
He don't love you...like I love you ...
