## **Here Comes the Night**

Here comes the night See the stars in the sky Shining up above Night of love Darling, just you and I

And here comes the night How I thrill to your kiss Music fills the air everywhere Night of magic and bliss

Think of the moments The hours and hours That we were apart Moments and hours that kept Bringing showers of Tears to my heart

Oh, oh, oh, oh... And here comes the night Like the others before But tonight's divine You are mine once more

Think of the moments The hours and hours That we were apart Moments and hours that kept Bringing showers of Tears to my heart

Oh, oh, oh, oh... And here comes the night Like the others before But tonight's divine You are mine once more

Here (comes the night)
