

Only You Know and I Know

Ben E. King

Only you know and I know
All the love we've got to show
So don't refuse to believe it
By reading too many meanings

'Cause you know that I mean what I say
So don't go and take me the wrong way
You know you can't go on gettin' your own way
'Cause if you do, it's gonna get you someday

Now if I sing to mislead you
It's just my craziness comin' through
But when it comes down to just two
I ain't no crazier than you

'Cause you know that I mean what I say
So don't go and take me the wrong way
You know you can't go on gettin' your own way
'Cause if you do, it's gonna get you someday

Yeah, yeah, yeah, appear to be pleasin'
Oh no, no, not deceivin'
But it's hard to believe it
When you been so mistreated

'Cause you know that I mean what I say
So don't go and take me the wrong way
You know you can't go on gettin' your own way
'Cause if you do, it's gonna get you someday

Only you know and I know
Only you know and I know, oh yeah...
