For Those Of Y'all Who Wear Fanny Packs

Ben Folds Five

Oh goddamn, I saw a goddamn Fuckin' goddamn, goddamn, woah Oh goddamn, shitchya it's cool

Play it on the radio
Come here one time, wassup y'all
I got this funky groove goin' on
I gotta give a shout out to my homeboy in L.A.

Wassup boy? Wassup y'all, come on Yo, this goes out to my homeboy Trey Going out in Chapel Hill Yeah, shouts out to A.K.A. known as Roadie Killer New York City

Yo, shouts out to my main manager man Al Wolmark known as A.K.A. you're a bad motherfucker C.E.C. bring in the bass, y'all Yeah and I thought that's how you felt about the motherfucker Yeah I thought that's how you felt Yeah Sledge, bring in the bass

For those of y'all who wear fannie packs, come on
For those of y'all that wear fannie packs, come on
For those of y'all that wear fannie packs and pony tails, come on
For those of y'all that wear fannie packs
And got the pony tails come fucking on

Yeah, my boy, Sledge on the bass in your face My boy, Ben on the piano coming in, let him in, let him in Yeah, let my boy, Ben in, alright, yeah

Hey D? Hey D? Yeah, wassup? You gonna let me in D? Wassup? You gonna me in? Yo let that piano solo in Let me in, let me in, Goddamn, yeah

You and your mother have seen things happen
I don't mind singing and I don't mind rappin'
I can find at least a hundred ways to get my shit
I play the piano, goddamn that's some funky shit

Yeah, I said for those of y'all who wear fannie packs
This song's coming out, it's coming attchya
I wanna borrow an allen wrench
I wanna borrow some duct tape
I wanna borrow a mic cable bass in your face

Bass in your face, let's break it, break it, break it down We're gonna break this shit down, gimme some bass That's pretty good bring this shit in Oh goddamn, shitchya it's cool

Play that cymbal, man
Play that tasty, tasty high hat work
Yo, I'm gonna bring that tasty high hat work bring it
I'm gonna bring that shit in, I wanna taste it, man right now

Yo, this sound goes out to my main man
At the point in Atlanta, wassup
Gimme my fuckin' monitor, man
Ernie, I'm sorry, I can't give you any more

Monitor than that
It won't go any higher than that
Because the transistors the resistors
They won't go any higher

Alright, y'all, take this motherfucker out with a piano solo Goddamn, uh, uh goddamn Alright, turn that shit out

I hope you taped that, that's our next single Oh, they've left, they gave up These guys are fucking idiots
That sucked
