

# All U Can Eat

Ben Folds

Son, look at all the people in this restaurant  
What do you think they weigh?  
And out the window to the parking lot  
At their SUV's taking all the space

They give no fuck  
They talk as loud as they want  
They give no fuck  
Just as long as there's enough for them

Gonna get on the microphone down at Wal-Mart  
Talk about some shit that's been on my mind  
Talk of the state of this great nation of ours  
People look to your left  
Yeah, look to your right

They give no fuck  
They buy as much as they want  
They give no fuck  
Just as long as there's enough for them

Son, look at the people lining up for plastic  
Wouldn't you like to see them in the National Geographic?  
Squatting bare assed in the dirt eating rice from a bowl  
With a towel on their head, and maybe a bone in their nose

See that asshole with the peace sign on his license plate?  
Giving me the finger and running me out of his lane  
God made us number one because he loves us the best  
Well he should go bless someone else for a while  
Give us a rest

(They give no)  
Yeah, and everyone can see  
(They give no)  
We've eaten all that we can eat
