

All Yours

Ben Haenow

Yeah I've been careless since I've been away
Now you will begin or perform?
You get to thinking I will lead astray
But baby you couldn't be more wrong
They say these bright lights will make you blind
But all I see is you all the time

The thing is all this is for you and me
I'm all yours
All the love, sweat and tears that you give to me
I'm all yours, oho

I heard their poison, they're telling you lies
You act like I'm already gone
I heard them say it's just a matter of time
Someday I'll be moving on

If all these bright lights would change my mind
But all I know is you, you and I

The thing is all this is for you and me
I'm all yours
All the love, sweat and tears that you give to me
I'm all yours, oho

So hold on, hold on
No I won't live without you
Oh no, no I won't even try
Take my hand, take my love
See the world goes on
I'm all yours, oho

So take these shackles away from me
You all that's even???
I know that I'll only turn back on to you

The thing is all this is for you and me
I'm all yours
All the love, sweat and tears that you give to me
I'm all yours, oho

So hold on, hold on
No I won't live without you
Oh no, no I won't even try
Take my hand, take my love
See the world goes on
I'm all yours, oho
