

Another Lonely Day

Ben Harper

1. Yes indeed, I'm alone again
and here comes emptiness, crashing in
it's either love or hate, I can't find in between
cause I've been with witches, and I've had a queen

R: It wouldn't have worked out any way
so now it's just another lonely day
further along we just may
but for now it's just another lonely day

2. Wish there was something, I could say or do
I can resist anything, but temptation from you
but I'd rather walk alone, then chase you 'round
I'd rather fall myself, then let you drag me down

R: It wouldn't have worked...

3. Yesterday seems, like a life ago
cause the one I love, today I hardly know
you I held so close in my heart, oh dear
ya grow further from me, with every fallen tear

R: It wouldn't have worked...
