Let us burn one from end to end and pass it over to me my friend burn it long, we'll burn it slow to light me up before I go

if you don't like my fire
then don't come around
cause I'm gonna burn one down
yes I'm gonna burn one down

my choice is what I choose to do and if I'm causing no harm it shouldn't bother you your choice is who you choose to be and if your causin' no harm then you're alright with me

if you don't like my fire
then don't come around
cause I'm gonna burn one down
yes I'm gonna burn one down

herb the gift from the earth and what's from the earth is of the greatest worth so before you knock it try it first you'll see it's a blessing and its not a curse

if you don't like my fire
then don't come around
cause I'm gonna burn one down
yes I'm gonna burn one down
