Give a Man a Home

Ben Harper

Have you ever lost your way have you ever feared another day have you ever misplaced your mind watching this world leave you behind

won't you won't you give won't you give a man give a man a home

have you ever worn thin have you ever never known where to begin have you ever lost your belief watching your faith turn to grief

won't you
won't you give
won't you give a man
give a man a home

in a world that is unwhole you have got to fight to keep your soul some would rather give than receive some would rather give up before they believe

won't you
won't you give
won't you give a man
give a man a home
